Chest width, flat	18	20	22	24	26	28	30	32

FIT & FABRIC

Classic fit with rib collar and taped neck and shoulders. Compare these flat-garment dimensions with a tee you own before ordering.
5.3 oz./yd2, 100% US cotton in core colors. Heather and safety colors have color-specific cotton/poly blends; confirm the selected color.

DECORATION PLANNING

Front, back, and sleeve may be possible depending on artwork, size, equipment and the selected garment. Confirm a production sample and usable area before decoration.

- Color-specific blends can change print and heat-transfer behavior.
- Printability does not establish a safe artwork size or embroidery area. Test first.

Placement dimensions are not verified for this style.
Do not use this sheet as a print-area or embroidery-position template.
