FIT & FABRIC

To select a size, compare the listed flat-garment width and length with a tee that fits you well.

6.1 oz. soft-spun cotton in core colors. Ash 98/2 cotton/poly; Athletic Heather 90/10; Dark Heather Grey, S. Green and S. Orange 50/50.

DECORATION PLANNING

Front, back, and sleeve may be possible depending on artwork, size, equipment and the selected garment. Confirm a production sample and usable area before decoration.

- Check fabric blend for the chosen color before selecting ink, thread or heat settings.
- Test the decoration process; collar, seams and garment size affect placement.

Placement dimensions are not verified for this style.
